INTIKON®

1974

About us,

Established in 1974, our company sells electrical, mechanical products and materials, undertakes electrical infrastructure projects.

We specialize in the electrical infrastructure, energy transmission lines, construction of transformer centers, illumination, automation, repair & maintenance support.

The company has shouldered the important electrical infrastructure projects of both state and private sectors and managed to complete these projects with success. Some of these projects: National Defense Minister, Naval Forces, Air Forces, Oyak Construction Company Residences, OYPA Stores, SSK(Social Insurances Corporation) Hospitals, MKE (Mechanical and Chemical Industry Corporation), Cukurova University, Migros Company Stores, Tansas and Sok Stores and markets, and also hotels, some of cinema ,culture centers, cafe, restaurants, shops and etc.

Besides, our technical service network has been giving repair & maintenance support on all over the Turkey. as 7 days 24 hours.
